ABOUT US

KOSMOS - The name synonymous for Quality. All Kosmos products are designed and engineered to meet the most stringent quality requirements for any industry.

Our Motto - To maintain highest quality standard.

Our Service - Our endeavour is to provide high quality service for optimum customer satisfaction.

Our Network - 200+ dealers Pan India.

Our Strength - Wide range and high stocking to meet the industry demands at any given point of time.

We have designed our business model keeping in mind the above parameters and strive to give the very best for our products. It is our endeavour to not just sell to the customer, but become an integral part of their business/product.
